Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2016-2017 educational progress for Lakeview Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Kelly Nielsen for assistance.

The AER is available for you to review electronically by visiting the following web site [www.lakeviewschools.net](http://www.lakeviewschools.net), Lakeview Elementary School tab, or you may review a copy in the Lakeview Elementary office.

For the 2016-17 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases, no label is given. Lakeview Elementary School has not been given a label.

Based on data in the AER report, the key challenges for Lakeview Elementary School include addressing weaknesses in reading, writing and math in our economically disadvantaged and students with disabilities populations. However, continued use of a writing coach has helped improve the writing scores in second and third grades. The key initiatives to addressing needs this year are: partnering with MiBLSI to enhance and realign our Multi-tiered System of Supports that will address the gaps between learners in all grade levels (focusing on behavior and literacy skills); increasing instructional coaching time with a literacy coach who will support rigorous, aligned and effective instructional and assessment practices in the classroom; fully implementing Evidence Based Literacy Instruction (EBLI) in all classrooms (K-3); and continuing technology training for staff to enhance learning throughout all content areas.

State Law requires we also report additional information.

## 1. **PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL**

Lakeview Elementary serves as the lone elementary school housing preschool through third grade students. All kindergarten through third grade students within the district of Lakeview Community Schools are assigned to

our school. However, the process for preschool enrollment is different. Lakeview Community Schools is part of the Montcalm Area Intermediate School District Preschool Consortium that offers preschool to eligible three to five year old children. The Lakeview Elementary Preschool follows the guidelines of Great Start Readiness Preschool.

**2. THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN**

The Lakeview Elementary School Improvement Plan, as well as the Professional Development Plan, are created in conjunction with each other to compliment the improvement of our school. A school excellence team is represented by all stakeholders of our school community. In the 2016-2017 school year, we used ASSIST (found within the Advanc-Ed website) to update our school improvement plan via the state provided template. For the 2017-2018 school year, we have utilized the ASSIST website provided by the state to compose and update our school improvement plan. The Lakeview Elementary School Improvement Plan can be accessed at [www.lakeviewschools.net](http://www.lakeviewschools.net) by clicking on the Lakeview Elementary School tab.

**3. A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL**

The Lakeview Community School District does not offer specialized school opportunities.

**4. IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION AND AN EXPLANATION OF THE VARIANCES FROM THE STATE’S MODEL**

Lakeview Elementary School offers access to the core curriculum through the building principal via the school district’s website <http://www.lakeviewschools.net> (Lakeview Elementary tab, Parent Involvement link) or via the website: <http://www.corestandards.org/the-standards>. The core curriculum is followed and implemented in all classrooms at Lakeview Elementary School. There is no content variance from the state model; however school staff has clarified the core curriculum to ensure there is common understanding amongst the staff and stakeholders.

**5. THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS:**

NWEA assessment data results are being reported for reading and math which is being administered to kindergarten through eleventh grade students in the district.

Additional subgroup data is available in the District Annual Report.

Writing scores for Kindergarten through Third Grade are calculated on a locally created and aligned 4-point rubric (0, 1, 2, and 3)

Reading and math scores for Kindergarten through Third Grade are based on NWEA results.

#### 6. IDENTIFY THE NUMBER AND PERCENT OF STUDENTS REPRESENTED BY PARENTS AT PARENT-TEACHER CONFERENCES

Lakeview Elementary School strives to make one-hundred percent contact with all families at least twice a school year during the scheduled parent-teacher conference times. Percentages of our past three school years are as follows:

Year	Fall	Spring
2013-2014	99%	97%
2014-2015	98%	95%
2015-2016	96%	99%

In closing, we are committed to providing the most valuable experience possible for all of our students. The staff at Lakeview Elementary School values all students and the relationships that have been fostered with our school families. Let us keep working together to help our students become successful young adults.

Sincerely,

Kelly Nielsen, Principal  
Lakeview Elementary School
